By signing this application you are also confirming:

- (a) That Airtricity Gas Supply (NI) Ltd will be the commissioning supplier from the date that the connection address is connected to the system and for a period of at least 15 business days if an alternative supplier has been selected.
- (b) The gas supplier will supply gas under their standard terms and conditions.
- (c) That you have been given supplier information for Gas Suppliers operating within the Phoenix Natural Gas License area as part of the customer information pack.
- (d) Your preferred Gas Supplier's Name: _____ or not yet decided

10. Data Protection Rights

By signing the application you consent to the following uses of your personal data.

- (a) The personal or company details you supply us in this form, plus any other details you supply to us in the future, will be used, for the purpose of administering this agreement by Phoenix Natural Gas Ltd, other companies in the same group of companies as Phoenix Natural Gas Ltd (including our construction contractor) and independent Gas Supply Companies operating in the Phoenix Natural Gas licence area.
- (b) The personal contact details that you supply on this form, plus any details you supply in the future, may be passed by Phoenix Natural Gas Ltd, or any other company which is a member of the same group of companies as Phoenix Natural Gas Ltd, to Gas Supply Companies operating in the Phoenix Natural Gas licence area. Phoenix Natural Gas and these companies may wish to contact you about selling products and services which may be of interest to you. You may be contacted by telephone or e-mail.
- (c) The personal contact details that you supply us on this form, plus any details you supply in the future, may be passed by Phoenix Natural Gas limited to your nominated 'Gas Safe Registered' Installer.

11. Your Application

Your signature indicates that as owner of the connection address or as the appointed legal representative of the owner, you are applying to be connected to the Natural Gas Network, have read the terms and conditions and confirm that the information in sections 1 to 9 is correct and agreed.

Applicant Signature N. Body Date 12th Sept 13
Print Name: N.J. Body

12. The Contract (see clause 2 of the terms and conditions overleaf)

In summary: This application does not commit either party to proceed with a connection and will only constitute an 'Agreement' when the following conditions are enacted:

- 1. Phoenix Natural Gas agrees to connect the address detailed in section 2 above.
- 2. You contact us to request a connection date for the property which we confirm.
- 3. A 'Gas Supplier' confirms they are willing to supply the 'gas user' listed in section 8.
- 4. You confirm that you have engaged a Gas Safe Registered Installer.
- 5. You accept the costs (our 'offer') detailed in section 4 above and make payment of any charges requested.
- 6. You provide a wayleave if required under section 7 above.
